Week 7: Christmas in July Week

It's beginning to look a lot like Christmas? Well not for a few more months, but for this week it's all about Christmas and the joy of giving to those less fortunate. This week we will be hosting a Toy/Food Drive with all proceeds being donated to a area local charity^(TBD) for kids and their parents less fortunate and in need. Yes, it's still summer so dress the kids in their usual sundress, shorts and t-shirts but let's get this week and include some Red and Green into our outfits. Christmas music, snacks and crafts will be sure to fill the atmosphere...but don't panic; the real Christmas is not near.

Week 8: Olympic Week

This is what every child dreams of...winning the Olympics. Events will include relays, tug-o-wars, spirit points, water events and other crazy Olympic feats that all kids can enjoy.

Week 9: Let's Get Creative Week

It's time to bring out the inner artist in our campers with a week dedicated to bringing out their creative side! Activities include art projects using every kind of medium imaginable! Look for your child's artwork being showcased
