**TENNIS PRO-AM INVITATIONAL RAISES MORE THAN \$34,000 FOR
BERT'S BIG ADVENTURE AND SPECIAL POPS TENNIS**

Roswell, Ga. (August 16, 2011) – Country Club of Roswell (CCR) raised more than \$34,000 at the 33rd Annual Tennis Pro-Am Invitational, August 5-7, benefiting Bert's Big Adventure and Special Pops Tennis. The event featured a casino party with gaming tables, live lounge act, and live and silent auctions, in addition to the tennis competition for ladies and men.

“This year's event added some new twists to a 33-year old event. Adding text message bidding to the auction created a buzz with participants and helped drive more bidding than usual, said Matt Grayson, Athletics/Tennis Director at the Country Club of Roswell. “We also had some of the best tennis matches I have ever seen in the event played on Sunday afternoon.”

CCR's Annual Tennis Pro-Am Invitational is the largest Pro-Am in the southeast featuring CCR members playing alongside some of the best professionals in the south. The fundraiser has raised nearly \$1,000,000 for local charities over the last 33 years. This year's member winners were Tom Moses, Van Wehr, Bob Cash, Frank Cobia, Sandy Williams, Barb Scott and Amy Swart.

Country Club of Roswell is a private, member-owned, family-focused country club on the east side of Roswell. The Club features an 18-hole golf course, aquatic center, tennis facility, and full-service clubhouse and garden.
