

45TH ANNUAL
COUNTRY CLUB
OF ROSWELL

CHARITY TENNIS
INVITATIONAL
Serving Up Hope

PRO-AM MISSION

Through a tennis tournament and its related activities, including a gala supported by members, local business sponsors and other patrons, we annually raise funds to provide grants to eligible, local, non-profit organizations that empower, enrich and improve the lives of the people within our community.

Serving Up Hope

The Country Club of Roswell will host its 45th Annual Charity Tennis Pro-Am Invitational August 4-6, 2023. We'd love for you to be a part of this award-winning event!

We have a long history of supporting local charities. This year, we are proud to support:

Special Pops Tennis

StandUp for Kids

For the Love of Ryan

Goizueta Alzheimer's Disease Research Center

MISSION

Enriching the lives of children and adults with intellectual disabilities through the lifetime sport of tennis.

Special Pops Tennis offers an adaptive tennis program specifically designed to share the lifetime sport of tennis with children and adults with intellectual disabilities. The program offers these special athletes the ability to build self-confidence and life skills through social interaction with each other, and the many dedicated volunteers who run the programs.

Since the early 2000s, several Country Club of Roswell members and coaching staff have been active volunteers and served as board members of Special Pops Tennis. In 2022, Special Pops served more than 650 athletes at 18 sites throughout Atlanta. The Country Club of Roswell is one of the training sites these athletes and volunteers come together to: Play Tennis. Make Friends. Live Life!

MISSION

To end the cycle of youth homelessness.

StandUp for Kids works to end the cycle of youth homelessness and its economic impact by providing support and resources to youth experiencing hardships beyond their control.

Over the past 10 years, Country Club of Roswell's Pro-Am has helped at-risk youth in North Fulton by supporting StandUp for Kids. Through the years, it has been our privilege to meet several impressive, inspiring young people who—despite the hardships of homelessness—have completed their high-school studies and continued their education in college. During the 2021–22 school year, 97% of StandUp for Kids students graduated or stayed in school.

MISSION

To help others in the community suffering from migraines, depression, and mental health issues.

For The Love of Ryan was founded by the Curran family to honor their late son, Ryan Joseph Curran. Through personal experience, the Currans discovered unknown resources, support groups and information available to families suffering as they were.

Through this knowledge and a passion to make a difference, For The Love of Ryan provides direction, guidance and resources to families through partnerships with Summit Counseling Center, The American Migraine Foundation, Atlanta Headache Specialist and Panda Neurology.

There's a true feeling of love from the CCR community for this organization.

Disease Research Center**

MISSION

To improve the care for people living with Alzheimer's and provide help to caregivers through research, early detection and educational programs.

Spearheaded by Allan Levey, MD, PhD, the Goizueta Alzheimer's Disease Research Center (GADRC) is one of 32 centers designated by the National Institutes of Health to reduce the burden of Alzheimer's disease through early detection and effective intervention.

"The goal of our research center is nothing less than a paradigm shift in the future diagnosis and treatment for Alzheimer's disease and related dementias," says Dr. Levey. As part of the Emory Brain Health Center, the GADRC is gaining a deeper understanding of Alzheimer's disease, increasing research participation of underrepresented people, improving care and helping patients improve their quality of life.
